

# Flagler County RAMS #2047 Monthly Meeting Minutes

Date: 9/15/2018 Time: 0900

- President Bob Thierwechter called the meeting to order at 0900 hours, 23 people were in attendance.
- The minutes from last months' monthly meeting were approved as recorded.
- Jim Butler presented our treasurer's report, which was approved as reported.

Balance on 7/31/2018 was \$28,550.95

Balance on 8/31/2018 was \$21,099.95.

## - New Business

- Shirts/Hats – Shirts are available for pick up.
- Field Update – Thanks to Tom Kerr for his overseeing the new runway project with the county. Runway turned out great. Thanks to those who showed up to lay the fabric and taping after today's meeting.
  - Table Repair – Some of our tables need sprucing up. Jim Butler will oversee this project.
  - Painting – Our facility needs some painting done, Dave Baylor will oversee this project.
- Upcoming Events:
  - **Fall Picnic & Fly In – Saturday, October 20th, rain date 10/21.**  
Everyone is invited. We need volunteers to help out. Food and drinks are provided. Like to have many members attend this year and show support.
  - **Freedom Festival – Saturday, November 3 – Flagler County Airport.**  
There will be static aircraft displays, car shows, military exhibits, Veteran's Village, Food Court, Non-Stop Music, Flight Demonstrations, Formation Flying.

***Our club will be participating in this event. We will need volunteers to help. We will be passing out flyers for our club, having static display models, and demo flying RC planes & helicopters. We're hoping to get a lot of interest at this event. Should be a ton of fun to participate in.***

At the event, we'll be passing out flyers announcing our "Introduction To RC Flying" on Saturday, Nov 17<sup>th</sup>. Flyers have been ordered to pass out at this event.

- **Introduction to RC Flying – Saturday, November 17 – RAMS Field.**

Our club will be taking a day to introduce youth & adults to the fun of RC Flying. It will be open to anyone throughout the county. On this day only, the club will only be open to trainer/buddy box flying for new people that want to give flying a try. We will have four flight stations set up with instructors throughout the day. Also, we will have several flight demonstrations throughout the day with electrics, helicopters, jets and gassers. Maybe even an electric combat flight.

Bottom line, we want to get as many new people interested in RC flying as possible. Maybe some will spark an interest and we can add some youth to the club. Food will also be available for everyone. We're expecting a large turnout, so we will need plenty of volunteers. Should be lots of fun.

- Meeting adjourned at 0918 hours.
