- Upcoming Events:
  - **Fall Picnic & Fly In – Saturday, October 20th, rain date 10/21.**  
Everyone is invited. We need volunteers to help out. Food and drinks are provided. Like to have many members attend this year and show support.
  - **Freedom Festival – Saturday, November 3 – Flagler County Airport.**  
There will be static aircraft displays, car shows, military exhibits, Veteran's Village, Food Court, Non-Stop Music, Flight Demonstrations, Formation Flying. We will have three tents set up and will be passing out applications to our club and flyers announcing our "Introduction to RC Flying" event on 11/17.
  - **Introduction to RC Flying – Saturday, November 17 – RAMS Field.**  
Our club will be taking a day to introduce youth & adults to the fun of RC Flying. It will be open to anyone throughout the county. On this day only, the club will only be open to trainer/buddy box flying for new people that want to give flying a try. We will have four flight stations set up with instructors throughout the day. Also, we will have several flight demonstrations throughout the day with electrics, helicopters, jets and gassers. Maybe even an electric combat flight.

Bottom line, we want to get as many new people interested in RC flying as possible. Maybe some will spark an interest and we can add some youth to the club. Food will also be available for everyone. We're expecting a large turnout, so we will need plenty of volunteers. Should be lots of fun.

- **Field Clean Up – Wednesday, October 17 – RAMS Field**

We need many volunteers this Wednesday to clean up the field, should not take too long.

- **Trash Pick Up** – Please take whatever you bring to the field home with you...cups, cans, paper, etc.
- **Crash of The Month** – Dixon Garner: To quote Dixon, “Stupid is as stupid does”.
- **George James Update** – George has experienced a minor TIA episode. He is rehabbing in Jacksonville. Not sure of the name of the place, but address is: 6209 Brook Bartrum Drive, #109. He'd love to hear from us. Phone number is: 904.528.3010, cell is 386.264.3313. Give him a call or stop by to visit.
