 - o 2019 November Elections: Our club officer elections take place on November 9th. November's meeting will be a week early since we're participating in the Flagler Freedom Festival on 11/16. No one has come forward, voicing an interest in running for any of the officer positions. If interested, please contact Tom Kerr, who is heading up the elections and nominating committee.
 - o Shirts & Hats: Gene Koch has ordered them, should be here within a week or so.
 - o Flagler Festival, Flagler Airport: November 16th – We'll have several tents again this year. We'll be performing demo flights for the crowds, admission is free. We will also have static displays, and be passing out flyers inviting people to join us for our "Come Fly With Us" event. Plan to come out and enjoy the festivities.
 - o Come Fly With Us – November 23rd – We'll be hosting this event for our community once again this year. We'll need plenty of volunteers to help fly with the students, man the battery station, provide Apprentice trainers for club use, and bring LIPO batteries in the 2,200 to 3,200 mAh capacity, three cell. Check out the November AMA magazine, it has an article with pictures from last years' event.
 - o Project Share: Again this year, our club will be donating \$500 to project share, a community based opportunity to give back to our community. The club voted and approved this donation.
 - o Nov 12 & 13 Work Party: The field will be closed while we are sprucing up our grounds and facilities, in preparation for our community event on Nov 23.
 - o Martin Stohr: New member was welcomed back to the club.
- Meeting adjourned at 0916 hours.
